

OR16BWW PRO CLIP

(Retail package will contain 100 Pro Clips and 100 Split Rings)
To order replacement pads for your OR16, order part number: ORRP16HL

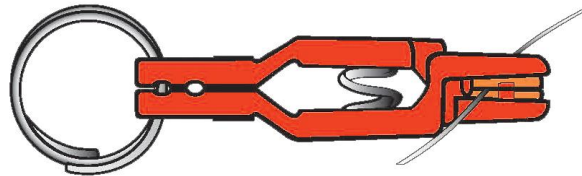

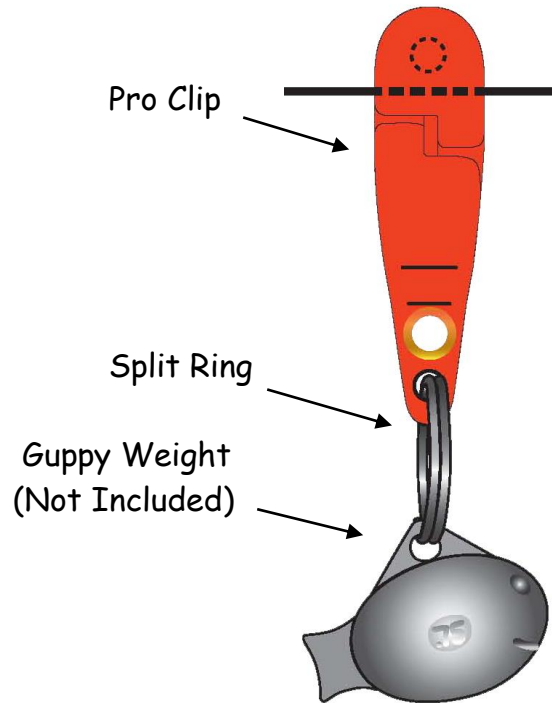

SUPER LINE TIP

When using slippery super lines, loop the line around the Pro Clip for the 2nd time.

SNAP WEIGHT RIGGING

The OR16 Pro Clip can be used for many things. Make sure the spring is **always** in the forward position as shown and the fishing line is **always** placed behind the center pin as also shown above.

Use ORRP16HL Replacement Pads.
