OFF SHORE TACKLE LLC

OR16

For PLANER, TATTLE FLAG®, TADPOLE & SNAP WEIGHT Applications

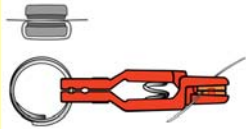

TWO PRO CLIPS AND SPLIT RINGS, RED

SUPER LINE TIP

When using slippery super lines, loop the line around the Pro Clip for the 2nd time.

The OR16 Pro Clip can be used for many things. Make sure the spring is **always** in the forward position as shown and the fishing line is **always** placed behind the center pin as also shown above.

Use ORRP16HL Replacement Pads.
